Hosted by **NETA**

Throughout history, Washington, D.C. has been a touchstone for leadership, initiative, and passion — a mecca for those dedicated to the highest ideals and aspirations of both leading and serving a nation. People come to D.C. to share ideas, to communicate, to engage. It's a perfect environment to energize PowerTest 2018 — in fact, no city represents power more literally and figuratively than Washington, D.C.

With its broad avenues and majestic, neoclassical architecture, Washington, D.C. is a city overflowing with history. Monuments and memorials engage you with our nation's most influential leaders as well as its fallen heroes. The city is a tapestry of all the people and cultures and stories that make our country great.

Though deeply rooted in history, D.C. is always fertile ground for new restaurants, bars, and stores. From the hip neighborhoods of Capitol Hill to U Street to fascinating museums and tree-filled parks, the city has a retreat for everyone.

Washington, D.C. is a place where relationships are formed and plans are made. As the premier event for electrical power systems professionals, PowerTest 2018 will thrive in the highly charged rhythm of this city. Exploring D.C., you can feel the power, the leadership. It's an electric environment sure to ignite PowerTest 2018 attendees' desire to connect, learn, explore, and grow in their knowledge of electrical maintenance and safety.

DAYS
3/4

DAY 1 Monday

We've gathered leaders in the industry and staged a full day of engaging, 45-minute presentations sure to expand your thinking and generate new ideas. Choose from 27 detailed technical presentation topics.

Participate in the afternoon symposium, which focuses on a key industry topic. The symposium moderator and expert panelists help audience participants navigate open discussions on current challenges and insights in the electrical power systems industry.

Experience the best in Washington, D.C. hospitality from 6:00 PM - 10:00 PM Monday evening.

DAY 2 Tuesday

Step up and be heard. Join the PowerTest 2018 Panel Sessions and be part of the discussion.

Tuesday Panel Sessions will be hosted by a moderator assisted by a panel of subject matter experts. Attendees are encouraged to participate in a forum of open discussion.

Join Us Tuesday Afternoon

In the afternoon, you won't want to miss the main event: The PowerTest 2018 Trade Show. It promises more than 100 top-tier electrical power vendors whose mission is electrical safety and reliability. Enjoy a complimentary lunch and beverages as you tour the show and make connections.

End your day on a high note at the PowerBash Awards Ceremony and Reception.

Wednesday/Thursday

Two days are dedicated to high-power learning. Choose from 12 in-depth, four-hour seminar presentations.

PowerTest 2018 Technical Seminars cover current topics and important industry issues that will broaden your horizons and expand your knowledge, preparing you for challenges ahead.

Friday

This full day of learning is designed to expand the knowledge of engineers, technicians, and project managers responsible for the quality of electrical power systems. Get the most out of PowerTest 2018 by attending all five days of the conference.

DAY 5

A full moon over the Washington Memorial.

Don't Miss the PowerTest 2018 – PowerBash

A gathering you don't want to miss. Enjoy an evening of networking, awards, and recognitions, accompanied by excellent entertainment and an array of food and drinks.

Tuesday evening from 7:00 PM - 10:00 PM.

EARLY BIRD REGISTRATION OPENS SEPTEMBER 1, 2017

Library of Congress, Thomas Jefferson building.
