2018

Leadership in an Age of Disruption- Managing the 3 D's

**DIGITALISATION. DECARBONISATION. DECENTRALISATION**

Hilton Barbados Resort, Barbados

The **2018 CARILEC Chief Executive Officers & Leadership Conference** is the premier electricity and energy conference in the Caribbean and Latin American region, and is an annual must-attend event. It will be held from May 20-23, 2018 on the Beautiful Island of Barbados. This event is being proudly Co-Hosted by the Barbados Power & Light Company Limited (BLPC).

## WHY ATTEND

Join more than 150 CEOs and top electricity and energy leaders, innovators, experts and change makers to reach the next level of leadership in the Caribbean Energy Industry.

Our conference, which is being held under the theme: **“Leadership in an Age of Disruption-Managing the 3D’s: Digitalisation. Decarbonisation. Decentralisation,”** is specifically designed to meet the dynamic and constantly evolving industry needs of CEOs and leaders and will feature speakers and panelists who are among the best and brightest in the energy and electricity industries. The various presentations and discussions on the theme will provide delegates with the necessary tools to reignite their leadership and inspire them to reach their highest potential.

Delegates will also enjoy a safe and stimulating space in which they can discuss some of the most pressing issues they are facing with other leaders, and exchange views and insights.
