

MOUNTAIN PARKS ELECTRIC, INC.

A Touchstone Energy Cooperative

Journeyman Lineworker, Granby, Walden or Kremmling Locations

Mountain Parks Electric, Inc. (MPE) is an electrical cooperative located in Granby, CO in the north central mountains of Colorado. MPE has three job openings for the position of Journey Lineworker; one will be located at our company headquarters in Granby, CO, one in our satellite office in Kremmling, CO and the other in our satellite office in Walden, CO. MPE owns and operates approximately 1600 miles of line operating at 25kV with approximately 21,000 meters.

Applicants should have a good working knowledge of RUS Specifications, have adequate experience in electric line construction, maintenance and troubleshooting, both in underground and overhead, including live line maintenance. Successful candidates will have a HS Diploma or GED, completed a 4-year certified apprenticeship program, and possess a Journeyman Lineworker Certificate. Must have and maintain a valid Colorado Class A CDL or obtain one within 90 days of hire.

MPE is headquartered in Granby, Colorado at 7,935 feet, 90 miles from Denver International Airport and 25 minutes from Rocky Mountain National Park. Experience gold-medal fishing in the Colorado and Fraser Rivers. Take a boat out on Lake Granby, the second largest body of water in Colorado – and near Shadow Mountain and Grand Lakes. Explore miles of hiking trails, connecting Granby to Fraser, Colorado. Top notch mountain bike trail systems, down-hill bike park and cross country trails at nearby resorts. MPE's satellite office in Walden, CO is based in a small ranching community which rests on a high glacial plain at the headwaters of the North Platte River in an area called North Park — known as the Moose Capital of Colorado. Nestled in the Rocky Mountain high country, Kremmling, Colorado embodies the spirit of the American West. It is characterized by the determination of the pioneer, and the kinship of community. Still today, much of the land is populated by working ranches. Each of our areas present some of the best skiing, hunting, fishing, camping, snowmobiling and outdoor recreation in the state.

MPE offers competitive salary and benefits, a generous Health Savings Account company match and competitive 401(k) employer match, a flexible and safe work environment, bonus programs, and an incredible opportunity to live and work in the Rocky Mountains. In addition MPE offers temporary housing allowance and moving assistance.

Hourly wage for this position is dependent on qualifications and experience. Interested candidates should submit their resume and cover letter and contact us to complete an application. This position will remain open until filled.

Mountain Parks Electric, Inc. is an equal opportunity provider and employer.
